Specifications

|                                   |   |
|-----------------------------------|---|
| Part Number                       | <a href="#">BK/ETF-4</a>                      |
| Manufacturer                      | <a href="#">Bussmann (Eaton)</a>              |
| Description                       | FUSE BOARD MOUNT 4A 277VAC RAD                |
| Category                          | <a href="#">Circuit Protection &gt; Fuses</a> |
| Part Status                       | 2686 pcs Stock                                |
| Voltage Rating - DC               | -   |
| Voltage Rating - AC               | 277V  |
| Size / Dimension                  | 0.329" Dia x 0.303" H (8.35mm x 7.70mm)       |
| Series                            | ETF   |
| Response Time                     | Slow  |
| Packaging                         | Bulk  |
| Package / Case                    | Radial, Can, Vertical                         |
| Operating Temperature             | -55°C ~ 125°C                                 |
| Mounting Type                     | Through Hole                                  |
| Melting I <sup>2</sup> t          | 92  |
| Fuse Type                         | Board Mount (Cartridge Style Excluded)        |
| DC Cold Resistance                | 0.014 Ohm                                     |
| Current Rating                    | 4A  |
| Color                             | -   |
| Breaking Capacity @ Rated Voltage | 100A  |
| Approvals                         | SEMKO, UL                                     |
