Specifications

|                                   |  |
|-----------------------------------|--|
| Part Number                       | GMC-1.6-R                                |
| Manufacturer                      | Bussmann (Eaton)                         |
| Description                       | FUSE GLASS 1.6A 250VAC 5X20MM            |
| Category                          | Circuit Protection > Fuses               |
| Part Status                       | 2573 pcs Stock                           |
| Voltage Rating - DC               | -  |
| Voltage Rating - AC               | 250V                                     |
| Size / Dimension                  | 0.205" Dia x 0.787" L (5.20mm x 20.00mm) |
| Series                            | GMC                                      |
| Response Time                     | Medium                                   |
| Packaging                         | Bulk                                     |
| Package / Case                    | 5mm x 20mm                               |
| Operating Temperature             | -  |
| Mounting Type                     | Holder                                   |
| Melting I <sup>2</sup> t          | 5.8                                      |
| Fuse Type                         | Cartridge, Glass                         |
| DC Cold Resistance                | 0.067 Ohm                                |
| Current Rating                    | 1.6A                                     |
| Color                             | -  |
| Breaking Capacity @ Rated Voltage | 100A                                     |
| Approvals                         | CSA, KC-MARK, MITI, UL                   |
