### Specifications

|                        |   |
|------------------------|---|
| Part Number            | SG901-1098-ET                           |
| Manufacturer           | Sagrad                                  |
| Description            | RF TXRX MODULE WIFI I-PEX ANT           |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2630 pcs Stock                          |
| Voltage - Supply       | 2.7 V ~ 3.6 V                           |
| Series                 | -                                       |
| Serial Interfaces      | SDIO, SPI                               |
| Sensitivity            | -96dBm                                  |
| RF Family/Standard     | WiFi                                    |
| Protocol               | 802.11b/g/n                             |
| Power - Output         | 18.3dBm                                 |
| Packaging              | Bulk                                    |
| Package / Case         | Module                                  |
| Operating Temperature  | -40°C ~ 85°C                            |
| Mounting Type          | Surface Mount                           |
| Modulation             | OFDM                                    |
| Memory Size            | -                                       |
| Frequency              | 2.4GHz                                  |
| Data Rate              | 65Mbps                                  |
| Current - Transmitting | 294mA                                   |
| Current - Receiving    | 75mA                                    |
| Antenna Type           | Not Included, I-PEX                     |
