Specifications

|  |   |
|--|---|
| Part Number                                  | VL53L0CXV0DH/1                                    |
| Manufacturer                                 | STMicroelectronics                                |
| Description                                  | SENSOR LASER DISTANCE TOF 2M                      |
| Category                                     | Sensors, Transducers > Optical Sensors - Distance |
| Part Status                                  | 1483 pcs Stock                                    |
| Voltage - Supply                             | -   |
| Voltage - Output Difference (Typ) @ Distance | -   |
| Voltage - Output (Typ) @ Distance            | -   |
| Series                                       | -   |
| Sensing Distance                             | 200cm   |
| Output Type                                  | I <sup>2</sup> C                                  |
| Operating Temperature                        | -20°C ~ 70°C                                      |
| Current - Supply                             | -   |
