Specifications

|                            |                                                     |
|----------------------------|-----------------------------------------------------|
| Part Number                | 74LV164PW,112                                       |
| Manufacturer               | Nexperia                                            |
| Description                | IC 8BIT SHIFT REGISTER 14TSSOP                      |
| Category                   | Integrated Circuits (ICs) > Logic - Shift Registers |
| Part Status                | 2528 pcs Stock                                      |
| Voltage - Supply           | 1 V ~ 5.5 V                                         |
| Supplier Device Package    | 14-TSSOP                                            |
| Series                     | 74LV                                                |
| Packaging                  | Tube                                                |
| Package / Case             | 14-TSSOP (0.173", 4.40mm Width)                     |
| Output Type                | Push-Pull                                           |
| Operating Temperature      | -40°C ~ 125°C                                       |
| Number of Elements         | 1                                                   |
| Number of Bits per Element | 8                                                   |
| Mounting Type              | Surface Mount                                       |
| Logic Type                 | Shift Register                                      |
| Function                   | Serial to Parallel                                  |
