Specifications

|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| Part Number                      | PD69000DC-0301                                         |
| Manufacturer                     | Micro/sys                                              |
| Description                      | IC POE CONTROLLER 44QFP                                |
| Category                         | Integrated Circuits (ICs) > PMIC - Power Over Ethernet |
| Part Status                      | 2618 pcs Stock                                         |
| Voltage - Breakdown              | 44-QFP                                                 |
| Type                             | Power Management                                       |
| Shell Style                      | 44 V ~ 57 V                                            |
| Series                           | -                                                      |
| RoHS Status                      | Tray                                                   |
| Power - Max                      | 59W                                                    |
| Polarization                     | -                                                      |
| Operating Temperature            | -40°C ~ 85°C                                           |
| Number of Voltages Monitored     | -                                                      |
| Number of Channels               | -                                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                          |
| Mating Length/Depth              | -                                                      |
| Manufacturer Standard Lead Time  | 14 Weeks                                               |
| Manufacturer Part Number         | PD69000DC-0301                                         |
| Insertion, Removal Method        | 802.3at (PoE+), 802.3af (PoE)                          |
| Expanded Description             | Power Over Ethernet Controller Channel 802.3at (PoE+), |
| Description                      | IC POE CONTROLLER 44QFP                                |
| Current - Supply                 | -                                                      |
