Specifications

|                                  |   |
|----------------------------------|---|
| Part Number                      | L9779WD-SPI-TR  |
| Manufacturer                     | N/A   |
| Description                      | MULTIFUNCTION IC FOR ENGINE MANA                      |
| Category                         | Integrated Circuits (ICs) > PMIC - Power Management - |
| Part Status                      | 2533 pcs Stock  |
| Voltage - Supply                 | 4.9 V ~ 5.1 V   |
| Series                           | -   |
| Packaging                        | Tape & Reel (TR)                                      |
| Operating Temperature            | -40°C ~ 125°C   |
| Moisture Sensitivity Level (MSL) | 3 (168 Hours)   |
| Manufacturer Standard Lead Time  | 21 Weeks  |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                            |
| Detailed Description             | Engine Management PMIC                                |
| Current - Supply                 | 550µA   |
| Applications                     | Engine Management                                     |
