## JS231126-AA

|                                  |  |
|----------------------------------|--|
| <b>Manufacturer Part Number:</b> | JS231126-AA  |
| <b>Manufacturer/Brand:</b>       | Panasonic  |
| <b>Part of Description:</b>      | CAP FILM 12UF 10% 230VAC QC TERM                                       |
| <b>Datasheets:</b>               | <a href="#">1.JS231126-AA.pdf</a><br><a href="#">2.JS231126-AA.pdf</a> |
| <b>RoHs Status:</b>              | Contains lead / RoHS non-compliant                                     |
| <b>Stock Condition:</b>          | New original, 2599 pcs Stock Available.                                |
| <b>Ship From:</b>                | Hong Kong  |
| <b>Shipment Way:</b>             | DHL/Fedex/TNT/UPS/EMS  |

### Specifications

|                                    |   |
|------------------------------------|---|
| Part Number                        | JS231126-AA                             |
| Manufacturer                       | Panasonic                               |
| Description                        | CAP FILM 12UF 10% 230VAC QC TERM        |
| Category                           | Capacitors > Film Capacitors            |
| Part Status                        | 2599 pcs Stock                          |
| Voltage Rating - DC                | -                                       |
| Voltage Rating - AC                | 230V                                    |
| Tolerance                          | ±10%                                    |
| Termination                        | Quick Connect, Disconnect               |
| Size / Dimension                   | 1.555" L x 1.051" W (39.50mm x 26.70mm) |
| Series                             | SMF                                     |
| Packaging                          | Bulk                                    |
| Package / Case                     | Rectangular Box                         |
| Operating Temperature              | -25°C ~ 70°C                            |
| Mounting Type                      | Chassis Mount                           |
| Lead Spacing                       | -                                       |
| Height - Seated (Max)              | 1.634" (41.50mm)                        |
| Features                           | -                                       |
| ESR (Equivalent Series Resistance) | -                                       |
| Dielectric Material                | Polypropylene (PP), Metallized          |
| Capacitance                        | 12µF                                    |
| Applications                       | Motor Run                               |
