### Specifications

|                        |   |
|------------------------|---|
| Part Number            | A20737AGR                               |
| Manufacturer           | Anaren                                  |
| Description            | RF TXRX MOD BLUETOOTH TRACE ANT         |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2544 pcs Stock                          |
| Voltage - Supply       | 1.7 V ~ 3.6 V                           |
| Series                 | AIR - WICED                             |
| Serial Interfaces      | I <sup>2</sup> C, SPI, UART             |
| Sensitivity            | -94dBm                                  |
| RF Family/Standard     | Bluetooth                               |
| Protocol               | Bluetooth v4.0                          |
| Power - Output         | 3dBm                                    |
| Packaging              | Tape & Reel (TR)                        |
| Package / Case         | 30-SMD Module                           |
| Operating Temperature  | -30°C ~ 85°C                            |
| Mounting Type          | Surface Mount                           |
| Modulation             | -                                       |
| Memory Size            | 512kB EEPROM                            |
| Frequency              | 2.4GHz                                  |
| Data Rate              | -                                       |
| Current - Transmitting | 17mA ~ 20mA                             |
| Current - Receiving    | 25mA                                    |
| Antenna Type           | Integrated, Trace                       |
