| Description                       | IC ETHERNET SWITCH 16X8 56WQFN                                                            |
| Category                          | <a href="#">Integrated Circuits (ICs)</a> > <a href="#">Interface - Analog Switches</a> - |
| Part Status                       | 91429 pcs Stock                                                                           |
| Voltage - Supply, Single (V+)     | 3 V ~ 3.6 V                                                                               |
| Voltage - Supply, Dual (V±)       | -                                                                                         |
| Switch Circuit                    | SPDT                                                                                      |
| Supplier Device Package           | 56-WQFN-EP (5x11)                                                                         |
| Series                            | -                                                                                         |
| Packaging                         | Tape & Reel (TR)                                                                          |
| Package / Case                    | 56-WFQFN Exposed Pad                                                                      |
| Operating Temperature             | -40°C ~ 85°C (TA)                                                                         |
| On-State Resistance (Max)         | 6 Ohm                                                                                     |
| Number of Channels                | 11                                                                                        |
| Multiplexer/Demultiplexer Circuit | 2:1                                                                                       |
| Features                          | 10/100,1000 Base-T, LVDS, LVPECL                                                          |
| Applications                      | Networking                                                                                |
| -3db Bandwidth                    | 1.1GHz                                                                                    |
