### Specifications

|                       |  |
|-----------------------|--|
| Part Number           | AB-5010 X 8.26"                              |
| Manufacturer          | 3M   |
| Description           | TAPE POLYMER RESIN 210MMX14.9M               |
| Category              | RF/IF and RFID > RFI and EMI - Shielding and |
| Part Status           | 2515 pcs Stock                               |
| Width                 | 8.260" (210.00mm)                            |
| Type                  | Absorbing Sheet                              |
| Thickness - Overall   | 0.006" (0.16mm)                              |
| Shape                 | Rectangular                                  |
| Series                | AB-5000                                      |
| Operating Temperature | -  |
| Material              | Polymer Resin, Metal Flakes                  |
| Length                | 1.000' (304.00mm)                            |
| Adhesive              | Non-Conductive, Single Sided                 |
