### Specifications

|                        |   |
|------------------------|---|
| Part Number            | ENW-C9A08A3EF                           |
| Manufacturer           | Panasonic                               |
| Description            | RF TXRX MODULE 802.15.4 CHIP ANT        |
| Category               | RF/IF and RFID > RF Transceiver Modules |
| Part Status            | 2605 pcs Stock                          |
| Voltage - Supply       | 2 V ~ 3.4 V                             |
| Series                 | PAN4555                                 |
| Serial Interfaces      | -                                       |
| Sensitivity            | -87dBm                                  |
| RF Family/Standard     | 802.15.4                                |
| Protocol               | Zigbee®                                 |
| Power - Output         | 0dBm                                    |
| Packaging              | Tape & Reel (TR)                        |
| Package / Case         | PCB Module                              |
| Operating Temperature  | -40°C ~ 85°C                            |
| Mounting Type          | Surface Mount                           |
| Modulation             | -                                       |
| Memory Size            | 60kB Flash, 4kB RAM                     |
| Frequency              | 2.4GHz                                  |
| Data Rate              | 250kbps                                 |
| Current - Transmitting | 35mA                                    |
| Current - Receiving    | 42mA                                    |
| Antenna Type           | Integrated, Chip                        |
