Specifications

|                                   |  |
|-----------------------------------|--|
| Part Number                       | BK1/TDC11-5-R                            |
| Manufacturer                      | Bussmann (Eaton)                         |
| Description                       | FUSE GLASS 5A 250VAC                     |
| Category                          | Circuit Protection > Fuses               |
| Part Status                       | 2625 pcs Stock                           |
| Voltage Rating - DC               | -  |
| Voltage Rating - AC               | 250V                                     |
| Size / Dimension                  | 0.250" Dia x 1.252" L (6.35mm x 31.80mm) |
| Series                            | *  |
| Response Time                     | Slow                                     |
| Packaging                         | Bulk                                     |
| Package / Case                    | 3AB, 3AG, 1/4" x 1-1/4"                  |
| Operating Temperature             | -  |
| Mounting Type                     | Holder                                   |
| Melting I <sup>2</sup> t          | -  |
| Fuse Type                         | Cartridge, Glass                         |
| Current Rating                    | 5A                                       |
| Color                             | -  |
| Breaking Capacity @ Rated Voltage | 50A                                      |
| Approvals                         | -  |
