| Specifications                    |   |
|-----------------------------------|---|
| Part Number                       | <a href="#">BK/AGC-B-2/10</a>                 |
| Manufacturer                      | <a href="#">Bussmann (Eaton)</a>              |
| Description                       | FUSE GLASS 200MA 250VAC 3AB 3AG               |
| Category                          | <a href="#">Circuit Protection &gt; Fuses</a> |
| Part Status                       | 2577 pcs Stock                                |
| Voltage Rating - DC               | -   |
| Voltage Rating - AC               | 250V  |
| Size / Dimension                  | 0.250" Dia x 1.250" L (6.35mm x 31.75mm)      |
| Series                            | AGC   |
| Response Time                     | Fast  |
| Packaging                         | Bulk  |
| Package / Case                    | 3AB, 3AG, 1/4" x 1-1/4"                       |
| Operating Temperature             | -   |
| Mounting Type                     | Holder  |
| Melting I <sup>2</sup> t          | 0.00435                                       |
| Fuse Type                         | Cartridge, Glass                              |
| DC Cold Resistance                | 3.36 Ohm                                      |
| Current Rating                    | 2mA   |
| Color                             | -   |
| Breaking Capacity @ Rated Voltage | 35A   |
| Approvals                         | CSA, UL                                       |
