| Part Number                       | <a href="#">MRF 100-BULK-SHORT</a>            |
| Manufacturer                      | <a href="#">Bel</a>                           |
| Description                       | FUSE BOARD MNT 100MA 250VAC RAD               |
| Category                          | <a href="#">Circuit Protection &gt; Fuses</a> |
| Part Status                       | 2607 pcs Stock                                |
| Voltage Rating - AC               | 250V                                          |
| Size / Dimension                  | 0.329" Dia x 0.303" H (8.35mm x 7.70mm)       |
| Series                            | MRF                                           |
| Response Time                     | Fast                                          |
| Packaging                         | Bulk                                          |
| Package / Case                    | Radial, Can, Vertical                         |
| Other Names                       | 0691-0100-05                                  |
| Operating Temperature             | -55°C ~ 125°C                                 |
| Mounting Type                     | Through Hole                                  |
| Moisture Sensitivity Level (MSL)  | 1 (Unlimited)                                 |
| Manufacturer Standard Lead Time   | 12 Weeks                                      |
| Lead Free Status / RoHS Status    | Lead free / RoHS Compliant                    |
| Fuse Type                         | Board Mount (Cartridge Style Excluded)        |
| DC Cold Resistance                | 4 Ohms                                        |
| Current Rating                    | 100mA                                         |
| Color                             | -                                             |
| Breaking Capacity @ Rated Voltage | 35A                                           |
