| Specifications                    |   |
|-----------------------------------|---|
| Part Number                       | <a href="#">BK/AGA-7-1/2</a>                  |
| Manufacturer                      | <a href="#">Bussmann (Eaton)</a>              |
| Description                       | FUSE GLASS 7.5A 125VAC                        |
| Category                          | <a href="#">Circuit Protection &gt; Fuses</a> |
| Part Status                       | 2655 pcs Stock                                |
| Voltage Rating - DC               | -   |
| Voltage Rating - AC               | 125V  |
| Size / Dimension                  | 0.252" Dia x 0.625" L (6.40mm x 15.88mm)      |
| Series                            | AGA   |
| Response Time                     | Fast  |
| Packaging                         | Bulk  |
| Package / Case                    | 1AG, 1/4" x 5/8"                              |
| Operating Temperature             | -   |
| Mounting Type                     | Holder  |
| Melting I <sup>2</sup> t          | -   |
| Fuse Type                         | Cartridge, Glass                              |
| DC Cold Resistance                | 10 mOhm                                       |
| Current Rating                    | 7.5A  |
| Color                             | -   |
| Breaking Capacity @ Rated Voltage | 1kA   |
| Approvals                         | UR  |
