| Package / Case                     | Radial, Can - SMD                     |
| Operating Temperature              | -40°C ~ 105°C                         |
| Mounting Type                      | Surface Mount                         |
| Lifetime @ Temp.                   | 5000 Hrs @ 105°C                      |
| Lead Spacing                       | -                                     |
| Impedance                          | 1.5 Ohm                               |
| Height - Seated (Max)              | 0.402" (10.20mm)                      |
| ESR (Equivalent Series Resistance) | -                                     |
| Capacitance                        | 100µF                                 |
| Applications                       | Automotive                            |
