Specifications

|                                   |  |
|-----------------------------------|--|
| Part Number                       | DFJ-2  |
| Manufacturer                      | Bussmann (Eaton)                                 |
| Description                       | FUSE CARTRIDGE 2A 600VAC NON STD                 |
| Category                          | Circuit Protection > Electrical, Specialty Fuses |
| Part Status                       | 2583 pcs Stock                                   |
| Voltage Rating - DC               | -  |
| Voltage Rating - AC               | 600V   |
| Size / Dimension                  | 0.810" Dia x 2.250" L (20.57mm x 57.15mm)        |
| Series                            | DFJ  |
| Response Time                     | -  |
| Packaging                         | Bulk   |
| Package / Case                    | Cartridge, Non-Standard                          |
| Operating Temperature             | -  |
| Mounting Type                     | Holder   |
| Melting I <sup>2</sup> t          | -  |
| Fuse Type                         | Cartridge  |
| Features                          | -  |
| Current Rating                    | 2A   |
| Class                             | J  |
| Breaking Capacity @ Rated Voltage | 200kA AC, 100kA DC                               |
| Approvals                         | CE, CSA, UL                                      |
| Applications                      | Electrical, Industrial                           |
