| Description                  | IC FLUORESCENT LAMP DRIVR 18SOIC                     |
| Category                     | Integrated Circuits (ICs) > PMIC - Lighting, Ballast |
| Part Status                  | 2619 pcs Stock                                       |
| Voltage - Supply             | 4.5 V ~ 20 V                                         |
| Type                         | Fluorescent Lamp Controller                          |
| Supplier Device Package      | 18-SOIC                                              |
| Series                       | -                                                    |
| Packaging                    | Tube                                                 |
| Package / Case               | 18-SOIC (0.295", 7.50mm Width)                       |
| Operating Temperature        | 0°C ~ 70°C                                           |
| Mounting Type                | Surface Mount                                        |
| Frequency                    | 57kHz ~ 78kHz                                        |
| Dimming                      | No                                                   |
| Current - Supply             | 8mA                                                  |
| Current - Output Source/Sink | -                                                    |
