| Manufacturer                     | <a href="#">Dielectric Laboratories</a>            |
| Description                      | CAP CER 1111                                       |
| Category                         | <a href="#">Capacitors &gt; Ceramic Capacitors</a> |
| Part Status                      | 2549 pcs Stock                                     |
| Voltage - Rated                  | 500V                                               |
| Tolerance                        | ±10%                                               |
| Thickness (Max)                  | -                                                  |
| Temperature Coefficient          | COG, NP0                                           |
| Size / Dimension                 | 0.110" L x 0.110" W (2.79mm x 2.79mm)              |
| Series                           | CF                                                 |
| Ratings                          | -                                                  |
| Packaging                        | Tape & Reel (TR)                                   |
| Package / Case                   | 1111 (2828 Metric)                                 |
| Other Names                      | C17CF111K-4ZN-X1T-2K                               |
| Operating Temperature            | -55°C ~ 125°C                                      |
| Mounting Type                    | Surface Mount, MLCC                                |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                      |
| Manufacturer Standard Lead Time  | 26 Weeks                                           |
| Lead Style                       | -                                                  |
| Lead Spacing                     | -                                                  |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                         |
| Height - Seated (Max)            | -                                                  |
| Features                         | -                                                  |
| Failure Rate                     | -                                                  |
| Detailed Description             | 110pF ±10% 500V Ceramic Capacitor COG, NP0 1111    |
| Capacitance                      | 110pF                                              |
| Applications                     | RF, Microwave, High Frequency                      |
