### Specifications

|                         |                                                    |
|-------------------------|----------------------------------------------------|
| Part Number             | <a href="#">C320C202FAG5TA7301</a>                 |
| Manufacturer            | <a href="#">KEMET</a>                              |
| Description             | <a href="#">CAP CER 2000PF 250V C0G RADIAL</a>     |
| Category                | <a href="#">Capacitors &gt; Ceramic Capacitors</a> |
| Part Status             | 2612 pcs Stock                                     |
| Voltage - Rated         | 250V                                               |
| Tolerance               | ±1%                                                |
| Thickness (Max)         | -                                                  |
| Temperature Coefficient | C0G, NP0                                           |
| Size / Dimension        | 0.200" L x 0.125" W (5.08mm x 3.18mm)              |
| Series                  | Goldmax, 300                                       |
| Ratings                 | -                                                  |
| Package / Case          | Radial                                             |
| Operating Temperature   | -55°C ~ 125°C                                      |
| Mounting Type           | Through Hole                                       |
| Lead Style              | Straight                                           |
| Lead Spacing            | 0.100" (2.54mm)                                    |
| Height - Seated (Max)   | 0.290" (7.36mm)                                    |
| Features                | Low ESL                                            |
| Failure Rate            | -                                                  |
| Capacitance             | 2000pF                                             |
| Applications            | Bypass, Decoupling                                 |
